

# CROSSWALK SAFETY

OUR STREETS AT THE OCEANFRONT IN VIRGINIA BEACH CAN GET EXTREMELY BUSY. EACH ONE OF US CAN HELP KEEP OUR VISITORS AND LOCALS SAFE. PLEASE BE CONSIDERATE WHEN DRIVING OR WHEN CROSSING A STREET. WE APPRECIATE YOU BEING RESPECTFUL TOWARDS OTHERS AND FOR YOUR PARTICIPATION WITH OUR LAWS.

When intersections are controlled by a pedestrian crossing sign, the sign by law takes precedence.

Pedestrians at crosswalks/ intersections will as a rule have the right of way. When a pedestrian has stepped onto a crosswalk, vehicles should slow down and/or stop.
